## Application: Equity Leadership Academy for States

Thank you for your interest in applying for the second cohort of NAPE's Equity Leadership Academy for States.

We developed this opportunity to support postsecondary agencies in their goal to more effectively guide school systems with Perkins V firmly rooted in equity, both as a process and an outcome. Over the course of a year, NAPE will provide technical assistance for select cohort members through a co-creation phase utilizing a design thinking model, 4 equity training workshops, an action research project, 4 TA calls, 3 capacity building training workshops, and a showcase once the Academy is completed.

To learn more about the application process and pilot program, please join us on September 8 from 1-2 PM EDT for our kick-off webinar. Ashley Conrad and Kayla Santana-Linares, program facilitators, will be available to answer any applicant questions. [Click here to register for the Q & A Webinar.](#)

Please complete and submit this application by 11:59 PM EDT September 22, 2022.
