2019-2020 proposed changes were drafted to ensure the president-elect has developed knowledge and experience with the roles, responsibilities, and collaboration of and between the NAPE Executive Committee and NAPE Education Foundation Board of Directors to successfully fulfill the role of president-elect. The proposed bylaws amendments would add the language below into the NAPE Bylaws.

The President-elect shall be elected annually from the Board of Directors. *The President-elect will have served for at least one year as a state Member at Large.* Each year, the President-elect shall succeed to the office of President, and a new President-elect shall be elected. *The President-elect shall be elected annually from the NAPE Executive Committee of the Board of Directors. The President-elect shall have served for at least one year as a State Member at Large.* Elections shall be conducted at the spring meeting of the Board of Directors, and officers will assume office on July 1 of each year. The NAPE President shall preside at meetings of the Board. The President, guided by the Executive Committee, shall be responsible for representing the interests of NAPE members in all matters not brought before the full Board.
